OK. I can give them that as soon as they agree that the dismissal hasn't changed their acceptance of \$10k per week interest payments through 2024. But not until. If they are going to change their commitment on that, then I'm changing my commitment on Compass because we will not be able to afford them.

I know but they wanted an acknowledgement that the dismissal of the bankruptcy case hasn't changed the RH-Compass relationship, which is what this Rule 11 does.

Compass has already started and are conducting billing for Remarkable. Alleon is aware of that since they are in contact with Compass.

Jon,

Alleon is asking us to affirm the Compass agreements through a Rule 11 agreement between counsel. They wanted this as part of the dismissal agreements. I'm attaching a draft agreement I've prepared.

Please let me know if RH consents to our signing and sending to Alleon's counsel. If you have any questions just email or call me.

Thanks,
